

About Kessick

Kessick Wine Storage Systems designs and manufactures exceptional quality wine cabinetry and wine storage. Kessick is a national wholesale supplier to the professional wine cellar industry, design community and the building trades.

From consultation to comprehensive 3D designs to fully assembled wine storage components, Kessick Quality is evident in every step of the process.

Our objective is to combine aesthetics, function, and sound building science to create the perfect wine storage environment.

Kessick designs and manufactures a wide variety of wine cabinetry and contemporary wine storage. These include Estate Series, Reserve, Parallel, Wine As Art, and Somm. Please go to our website to learn more.
